

2021 Redding Gun Club Spring Trap League Rules

April 1st to June 17th

FEES- Teams will consist of a minimum of 5 shooters and a maximum of 7 shooters. Spring League runs 12 weeks. Member fees are \$143 or \$13 per week. Non-member fees are \$165 or \$15 per week. Plus \$5 one-time fee for lead mitigation. **FEES MUST BE PAID PRIOR TO SHOOTING FOR SCORE.**

Participants that pay the full amount the first night will receive 5 gun give away raffle tickets.

CLASSIFICATION- On the first league night, teams will shoot one 16 yard round. On the last league night, teams will shoot one handicap round at there earned yardage. All teams will then shoot one 16 yard and one handicap from the 23 yards for the next two weeks to determine the team's class. AA=25 yards, A=24 yards, B=23 yards, C=22 yards. Classification is based on the team's best five 16 yard and 23 yard score total. **NO STEEL SHOT!**

SHOOT ORDER- Shooters may shoot ahead of any league night. The 2nd and 3rd week handicap will be shot at 23 yards. When shooting ahead the following weeks, the shooter will shoot from the team's classified yardage. Double-check the yardage before you shoot for score. Make-up is not allowed for team score: however, individual scores can be made up.

STATIONS- Teams will shoot twice on each trap station. Team score sheets will be placed at each designated station prior to the shoot. The squad leader or designee, in the presence of the scorer, is to initial acceptance of the scores immediately following the completion of the handicap round. **If less than 15 teams**, trap league will be held only on Wednesday beginning at 4pm. Due to past years inclement weather, Sundays will be open as a designated shoot day.

LINE-UP PROCEDURE- Use the tickets clips on the shooting stands to get your team in to shoot. The first team up will securely attach it's score sheet to clip #1 (fold in half with the team name showing). The second team up will attach it's score sheet to clip #2 and so on. If the ahead team is not ready to shoot, the next team below them that is ready to shoot can move ahead to shoot. All the teams behind the squad that are ready to shoot will move up one position on the board, Questions? Ask trap help.

RAFFLE- During Spring League three to five long guns, (depending on the number of teams) will be provided to win. Each shooter participating in Spring League will have a raffle ticket placed in a secure draw container. Each week tickets will be added when the shooter breaks a random green target released by the trap machine. These targets will also be counted towards the shooters score. The scorer will highlight and initial on the score sheet for each green target broken.

TROPHIES- Trophies will be awarded to High Overall and 1st place teams for each class.

SPEEDING- Shooters will adhere to 25 MPH while traveling on the paved road. Neighbors have complained to club of excessive speed. **THIS WILL NOT BE TOLERATED!**

NON-MEMBERS- When non-members participate in the Spring League, they need to watch the Trap Safety video and review and sign the **LETTER OF UNDERSTANDING** prior to shooting their first league night score. All expended shells must be removed off the range by the shooter. Each squad leader will ensure that his/her team members are in compliance.
